

Village of Port Edwards

Spring 2022 Newsletter

Spring Election – April 5, 2022

On Tuesday, April 5, 2022 the residents of the Village of Port Edwards will be selecting three Village Trustees. There are six candidates on the ballot running for the Village Trustee position. Voting will take place at the **Fire Station** from 7:00 a.m. to 8:00 p.m. ***PLEASE REMEMBER TO HAVE YOUR PHOTO ID WITH YOU!***

VILLAGE TRUSTEE CANDIDATES

ERIK D. SAYLOR – INCUMBENT

My name is [Erik Saylor](#) and I am once again asking for your vote to represent you, on our Village Board. I have been an elected trustee on the Village Board since 2015. I do not hold any personal agendas and my intentions are solely to represent the residents and be a good steward of public tax dollars because of my commitment to our Village. I pride myself on being transparent with my beliefs and I would encourage residents to approach me with their concerns and ideas to make this Village a great place to set roots.

I have lived the majority of my life in Port Edwards and am a graduate of John Edwards High School. After graduation I enlisted in the US Navy where I spent 20 years on Active and Reserve Duties. Also spending 12 months on a deployment in the Middle East. As far as my education, I have a degree in Civil Engineering and I am currently working on my Computer Science degree. I am the Director of Technology for the Nekoosa School District supporting all technology needs of students and staff across the entire school campus. Dedication to the Village and giving back has always been important to me which is why I have been an active volunteer firefighter with the Fire Department for the last 20 years and a baseball and basketball coach for our Port Edwards youth for the last four years.

Since getting on the Village Board in 2015, it was a goal of mine to improve our park areas. Along with my fellow board members, we have accomplished many items in this area. We secured a \$500,000 grant with the Legacy Foundation that helped to create our Splash Pad at Alexander Park, replaced dated playground equipment and built more outside family gathering areas. I am excited to look to the future to see how we can secure more grants and federal funding to continue the improvements throughout our park system. I want to continue to make Port Edwards a place for families to live and grow.

With your vote, I am looking forward to the future because the work does not stop. I want to continue to improve and redevelop our closed mill site, work with the Nepco Lake residents as they transition to the Village, and to move forward with all of the planned Public Works projects. I hope to carry on, your trust in me, as your Village Trustee, as we look to the bright future of this great community.

Thanks,

Erik Saylor

CALEB R MCGREGOR

My name is Caleb McGregor, 33. I bring to the Port Edwards Village Board several positive qualities.

First, I am a new and young face around the Port Edwards community, having moved here in June 2021. While it is important to have a Board which includes lifelong residents who are keepers of the memories and heritage of the community, it is likewise also important to include those who see situations with “fresh eyes.”

Secondly, I am a member of the clergy, serving Port Edwards United Methodist Church. I cannot, nor will not, use my clerical position to promote any church or religion, but vow to uphold the dignity of all persons regardless of their beliefs. I am not running as a pastor, but as a local resident who has a heart for the welfare and safety of our community.

I do believe that my background and education as a clergyperson help me to stand outside the traditional boundaries of partisan politics. I do not make promises to constituents in order to secure votes, or appeal to lobbyists or petitioners. I would sit on the Village Board as a *via media*, or middle way, representing myself and the entire people of Port Edwards. In such a polarized time as this, I seek to find diplomatic ways forward on whatever issue or opportunity is at hand, without getting stuck in the “silos” in which we often find ourselves.

If ever I am questioned about my opinions on a political stance, such as taxes, budget, spending, ordinances, etc., I do not answer, “As a member of the X party, I must vote . . .” but will answer, “As a resident committed to a middle way for the sake of the common good and the most vulnerable among us, my beliefs prompt me to . . .”

And my beliefs prompt me to value the dignity and giftedness of all people.

I certainly believe in the value of a strong and healthy community as the backbone of vital living. I value pride of one’s community and that quality of life can come not just from the infrastructure and amenities nearby but also from the quality of that communal spirit we share together, even in the face of tragedy. We must focus on the abundance of gifts we have already.

I have been involved in community organizations such as the Lions Club, ministerial alliances, food pantry boards, and am currently a member of the local Sunrise Rotary. I am also an Early Response personnel (certified by the United Methodist Committee on Relief) who assists in cases of disaster.

What would prompt a new resident of this community to seek a position on the Village Board, especially when that resident is not politically charged? I would say it is the devotion they have toward any systemic change that enables the people to thrive, as well as both desiring to be a part of the pride they already see within this wonderful community, and their eagerness to continue it.

LONN J. RADTKE

Hello, my name is Lonnn Radtke and I am running for Village Board trustee on April 5th. During my 20+ years working for the Village of Port Edwards, it has been my main focus to serve and protect the residents of Port Edwards with a fiscally conservative accountable and common sense approach.

I have enjoyed working for the residents of Port Edwards in the past and hope to continue as a trustee. I believe the Village is a safe and friendly place to live, and I hope as a trustee we can bring more families into the Village. Please feel free to contact me at 715/697-0470 with any questions or comments that you have regarding the Village.

I would appreciate your vote on April 5th.

Thank you

MEGAN DUELLMAN

Hello, my name is Megan Duellman, and I am excited to be a candidate in the upcoming Spring 2022 election! First, thank you to the neighbors I met while seeking nomination for this election. Meeting all of you was a wonderful experience. I am humbled that you took the time to speak with me and provide your nomination. To those I have not had the opportunity to meet yet: I look forward to meeting you in the future! I am incredibly ready, excited, and qualified to serve on the Board of Trustees, and I hope to earn your trust through this article.

I am a single mother to a wonderful little boy named Carter. Carter attends Port Edwards Ed Heuer Elementary School, originally from the suburbs of Milwaukee. My parents owned a vacation home in the town of Rome when I was a child, so Central Wisconsin has always held my heart. I graduated from UW-Stout with a B.S. in Professional Communication and Emerging Media and have held jobs in the private and public sectors. I work for UW-Milwaukee's technology team, and in June 2021, I was granted a remote position to allow Carter and me to move to Central Wisconsin. When looking for a home in the Summer of 2021, all it took was one drive through Port Edwards, and I fell in love with the village. After a week of looking in Port, my dream home went on the market, and I am now the proud and incredibly grateful owner.

Port is a special place. When we moved here, everyone was so kind and welcoming. The past two years have been trying on us all, but our residents have retained their hearts. Port Edwards has a rich history, beautiful events for the whole family, outstanding parks, a school district dedicated to our children, police and fire departments that keep us safe, and a public works department that keeps everything in order. These are people who can and do restore faith in humanity. I want to be your next Village Trustee because I want to preserve this tradition for future generations through servitude.

I discovered my love for community service in high school through volunteering with my church. Through many mission trips, I realized my potential and deep-felt desire to positively impact communities and people. I continue to volunteer for UW-Milwaukee through student and family events, helping them move in, acclimate families saying goodbye, and assisting incoming first-year students. I also serve on various UW-Milwaukee hiring and event committees, helping bring great people into the education sector for the student community.

Since moving to Port Edwards, I have joined two organizations: the Port Edwards Parent Organization, to directly enrich our local education community, and the Wisconsin Rapids Sunrise Rotary Club, to get involved and give back to our neighbors through service. I look forward to serving those organizations with focus and passion for many years to come.

The new world of "remote work" and loss of connection to the community shattered my heart. Like many parents, I was challenged with balancing work and homeschooling my son. As many of you likely felt, my dreams and my child's dreams were crashing around us. While horrifying and painful for many of us, this pandemic chaos also created my new life here in Port Edwards, a diamond amongst so much rubble.

Understanding conflict and differing perspectives is a professional development priority for me in our changing world and community. I have completed formal emotional intelligence (EQ) training, conflict management training, and attend the annual Women Leaders Conference. I continue to grow as a leader and facilitator and constantly deepen my ability to listen and help others as a result.

I hold close to my heart the concept of surviving, thriving, and flourishing. Surviving is when things are tough, but you get by. Thriving is when you are doing well, but you still face challenges. Flourishing is existing to your fullest potential.

My goal as your Trustee will always be to help our village and the members of our community flourish through any obstacle or challenge. Given a chance, I promise to treat every community member with dignity and respect, listen to our residents' voices and concerns, and lead with my heart. I promise to never shy away from tough conversations, hold space for opinions to be heard, and work to find a compromise. I promise to care for you AND work with you.

I stand Port Proud. Thank you for allowing me to introduce myself to you, and I look forward to the bright days ahead.

DUSTIN LEASE

Hello- my name is Dustin Lease. I have lived in Port Edwards with my wife and combined 6 kids for the last 6 years. A little bit more about me- I am a United States Marine Corps veteran and have served during OIF. Once home from Iraq I began training and schooling to become a Firefighter/ paramedic. I am currently working as a Firefighter/ Critical care paramedic for the City of Wisconsin Rapids and have been for the past 13 years. With working there, I have the privilege of serving the Port Edwards community, providing EMS coverage. Having a large family, I understand the importance of fiscal responsibility and my strong public service background is what encouraged me to run for village board. I hope to bring a fresh perspective and maximize the beautiful community that my wife and I are raising our family in.

DAVE GIBBS – No article submitted.

Friends of the Monarchs

As summer approaches we are anticipating the arrival of the monarchs. It's always a thrill when we see the first one! Getting the gardens at the Village Monarch Park ready for a new season is a lot of work. Keeping the gardens looking good all summer is also a big job. Thanks to Mert Scheffler for all of the work she does in the gardens during the spring, summer and fall. We would sure welcome anyone who is willing to help with weeding. If you don't know a lot about gardening we can help you learn. You could work alongside other people when they are working at the gardens. Please contact me if you are interested in helping.

Please think about remembering your loved one by purchasing a plaque for the memorial wall. Pet memorials are also available. Plaques are \$30.00/each and the forms can be obtained from the Nekoosa Port Edwards State Bank – Port branch. The next round of plaques will be going up as soon as weather permits. This is a wonderful way to honor family and friends who are no longer with us.

If you would like to know more about raising monarchs, feel free to contact me.

Kathy McGrath

715-887-3448

mcgfam@charter.net

Hydrant Flushing

Spring hydrant flushing will take place on **May 24th & 25th**. Please be aware that there may be some dirty water during this time.

FROM THE DESK OF THE VILLAGE ADMINISTRATOR

Howdee residents of The Village of Port Edwards. Greetings from your Village Administrator, Raymond "Boz" Bossert. All goes well in our Village and I am excited about the challenges ahead. Again, I start each day by reaffirming, "what can we do today to make Port Edwards the best it can be". Trust me we are making progress.

We are weathering thru another Winter season and it has been very interesting. Not a lot of snow, very cold weather and some unique storms in December, but all is well. We are in the ending stages of the COVID pandemic and have peaked at our vaccination rate, the numbers are stabilizing and we are trying to

get back to normal. The end is in sight. The Vaccine is flowing out and at the time of this newsletter, over 70% of our Village will have received the vaccine. In the end, like I mentioned in my State of the Village report in December, we have come thru this better and stronger as a community and I thank each and every one of you for your support to make that happen.

Now onto Village Business.... We have approved and are executing our 2022 Budget. All looks good. We will bring in about \$4.7 Million dollars annually in revenue and this year's budget we planned to expend about \$3.7 million. The difference is kept in our Reserves. To address a recurring question that I have received, yes, the Village started its Wheel infrastructure fee on your registration forms. This will impact all owners of vehicles in the village. A reminder, tied to this the Village removed all Special Assessments for the future (existing assessments will be paid off). We have also directed these monies to go directly to a street project, not the general fund. This should be looked at as a reduction in your potential costs as a taxpayer, especially since the assessments were removed.

We will be taking on some major infrastructure projects this year. We plan to complete the rebuild of our 3rd street from Edwards Ave to Morrill. We also plan to resurface our 4th street from Bruener to Seneca road, as well as resurfacing Port and Seneca Roads. There will be some minor alley repairs. Depending on the federal funds that come our way we may increase some other projects in the Village, but more to follow. We will as usual repair about 1000' feet of curb and gutter as well as sidewalks throughout the spring and summer. We continue to improve our parks and we hopefully will have a ribbon cutting on our New Dog park in late Spring, more to follow. We continue to make progress with DMI and the Old Mill property and hope to unveil some development plans for the site. We will also start our dialogue with the NEPCO lake residents planning for the Boundary agreement to end in a few years. Those 200+ residents will return back to the Village in 2 years and we hope to make that a seamless and positive transition.

It continues to be my goal to make this a very **Professional, Ready and Relevant** Village staff. We have numerous challenges ongoing and ahead that we all need to work together to overcome. Our Village services need the right investment to support all our residents and businesses in Port Edwards. We must be good stewards of our tax funds and choose wisely on investments and budgets. The best use of tax funds and service fees are only amplified when we have resident "buy in" on our initiatives and projects. I look forward to working on these issues together moving forward.

I am excited to be here and look forward to the challenges. Let's get to work and stay "PORT PROUD!"

VILLAGE PRESIDENT ARTICLE

One thing that happens every Spring in the Village is an election. This year our Spring Election will be held on Tuesday, April 5th. The Polls will be open from 7:00a.m. to 8:00p.m. The Polls are located at 431 Letendre Avenue. (Port Edwards Fire Department).

The Village Board will have three seats up for election. Six Village residents have filed papers to run for Village Trustee this year. The top three vote getters will join the Village Board. The Candidates are:

Erik Saylor, Incumbent
David Gibbs
Megan Duellman
Lonn Radtke
Caleb McGregor
Dustin Lease

Trustee Dana Duncan is not seeking reelection. I would like to thank Trustee Duncan for his service to the Village and the Board of Trustees. During his time as Trustee, he was Chair of the Planning, Legislative, Property and Information Technology Committee and the Finance and Human Resources Committee. He will remain on the Plan Commission as a Citizen Commissioner.

As you know, Trustee John Bingham passed away while serving as a Trustee, on December 26, 2021. We extend our sincere heartfelt sympathy to his wife Roberta and Family. Trustee Bingham served as Chair of the Public Works Committee and sat on the Finance and Human Resources Committee.

At the January 11th Village Board meeting the Village presented Mrs. Bingham with the American flag which was flying at Ripple Creek Park on the day of Trustee Bingham's funeral. Also, when the Spring temperature allows, the Village will be planting a Tree in Trustee Bingham's memory, along with a Plaque regarding his service to the Village Residents as a member of the Village Board. The tree and the plaque will be in the downtown area. John will be missed! May he rest in Peace!

I would also like to mention that the Port Edwards School Board has three people vying for two seats. The Candidates are:

Kathy McGrath, Incumbent
Dana Duncan
Matt Tranel

Please exercise your right to vote on Tuesday, April 5th. Our freedoms are dependent on active and participating citizens.

In closing, I encourage all to attend and cheer on our softball and baseball teams. I hope to see you at Palen Field for a baseball game or Ripple Creek Park for softball. Nothing quite spells "Spring has Sprung" after a Wisconsin Winter, then the sound of the bat hitting the ball and the smell of fresh popcorn in the air.

GO BLACKHAWKS!

Sincerely yours:
Joe Zurfluh, President

FIRE DEPARTMENT NEWS – FROM THE CHIEF’S DESK!!

Greetings everyone! I’ve been reading these newsletters ever since I moved to Port Edwards in the mid 90’s, and it feels very surreal to actually be writing one. I hope you all had a wonderful holiday season and had a chance to get outside and enjoy the snow and ice and lack of mosquitos. One of my favorite quotes is, “If you choose not to find joy in the snow, you will have less joy in your life, but the same amount of snow...”

We have some upcoming events at our station. We hope to see you all there!

Saturday May 21st from 9am to 3pm - Open House and Brat Fry in conjunction with the Village wide garage sale. Stop in for some lunch after a busy morning of shopping.

Friday June 17th from 5pm to midnight – Fire Dept. Street Dance featuring the band Road Trip. We will be proudly celebrating our 99th year of being a fire dept. with food, drinks, door prizes, raffles, and music. Please come and enjoy yourselves during our biggest fund raiser of the year.

Please follow our Facebook page (Port Edwards Fire Department) for reminders, public safety announcements, and some cool pictures and stories.

Warm weather is quickly approaching, and most everyone will be doing yardwork and probably still cleaning up after our big windstorm in December. Please exercise caution when burning any brush or debris. I drive around and see all the downed trees and fallen branches which is terrific fuel for wildfires. So please be careful when doing yardwork during those warm, dry, breezy spring days. If you burn brush be sure to get a permit. No burning is allowed on Sundays or holidays. Below is the Village ordinance pertaining to open burning.

[5.14 OPEN BURNING REGULATED.

- (1) PROHIBITED BURNING. It shall be unlawful to burn leaves and trash of any kind.
- (2) RECREATIONAL BURNING. Open recreational burning is permitted in a fire pit; a minimum 3-sided enclosure; or a gas, electric or charcoal kettle, subject to the following:
 - (a) The fire is monitored by a responsible person until the fire is extinguished or burns out.
 - (b) The fire is not lit on windy days or when atmospheric conditions will endanger the public health or safety.
 - (c) The fire is located off the public right of way and more than 30 feet from the residence of another.
 - (d) The fire is not used for the covert burning of plastic, rubber, garbage, or other offensive materials.
- (3) BURNING BY PERMIT. Burning permits for burning brush in nonresidential areas may be issued by the Fire Chief. Burning permits for residential areas may be approved by the Village Board.
- (4) LIABILITY. Any person open burning, whether permitted or not, which results in a response by the Village Fire Department shall be billed for the cost of such response.

Volunteer departments all need more members. If you’re interested in helping people, helping your community, and making a bunch of friends, please reach out and join your local fire dept. It’s very rewarding, you’ll be happy you did.

Chief Jason Worden

GREETINGS FROM THE PORT EDWARDS POLICE DEPARTMENT!

Do you or someone you live with have a condition that you would like Emergency Responders to know about?

The Port Edwards Police Department is excited to announce that we will be offering alert stickers for people who are mentally or physically disabled, deaf or hard of hearing, have dementia or alzheimers, or have autism spectrum disorder. These will be provided free of charge while supplies last.

You may pick up your stickers at the Port Edwards Police Department, Port Edwards Municipal Building or by emailing scott.drew@portedwardswi.gov

We would recommend placing an alert sticker at all entry doors, so it is visible for all Emergency Responders.

Availability is not limited to Port Edwards residents.

With spring right around the corner, we want to remind everyone that our streets, sidewalks, and parks will soon be filled with everyone enjoying the warm weather. Please make sure that you are courteous and watch for pedestrians while driving.

Also, with the warmer weather approaching, we would like to remind everyone to make sure that you are following the village ordinances. The Police Department will be working with the Public Works Department to try to “clean up” our community and will be issuing warnings and citations if compliance is not gained. If you have questions about the ordinances, you can find them on the village website, or you may call or stop by the police department to discuss.

We continue to have problems with junk, animal feces, vehicles, and other unsightly items in yards; please do your part to make our community beautiful. Citations start at \$124.00 and can be issued for every day that the problem is not corrected.

With tax time upon us, please watch for tax related scams. Use only reputable tax preparers and keep your private information private. Never share your information over the phone especially if you receive an unsolicited call. If you believe you have been victimized by a scam, you can visit IdentityTheft.gov for guidance, or contact the police department and we can assist you with the situation.

Thank you,
Scott Drew, Chief of Police

Thank you Donald and Bonnie Derezinski
for providing the electricity for the Village
Christmas decorations. Your generosity is greatly
appreciated!

Spring Cleanup

The Village takes pride in being a very clean community. Residents expect the Village government to enforce the rules when it comes to garbage, clutter, and vehicles.

Please remember:

- Garbage, appliances, clutter, etc. is not permitted to be left in public view.
- Campers, boats, etc. must be parked and stored **BEHIND** or **ALONG SIDE** of houses. They are not allowed to be parked in front of the house or on the street other than for actual loading or unloading.
- **DOG FECES IS NOT YARD WASTE.** Raking dog feces into grass piles for the village crew to pick up will not be tolerated. Residents doing so will be referred to the Police Department.

Leaf, Grass and Brush Pickup

As the winter ends and we start to get outside again, please remember the following:

On a weekly basis, the crew will pick up grass that is **properly** placed. Typically grass pickup is on Mondays and Tuesdays.

PLEASE NOTE: Brush will be picked up on the same week as recycling.

Please be conscientious when placing waste at the curb. Be sure no foreign objects, such as stones, metal, etc. are mixed in with the waste. One piece of metal can completely ruin a \$300 set of chipper blades. Repairing equipment takes time and money and results in delays in picking up waste so **PLEASE BE CAREFUL.**

- **All brush and grass must be placed on the boulevard area behind the curb.**
- Grass and leaves must be placed separate from brush.
- Brush must be stacked neatly with the cut end facing the street.
- Roots must be removed and placed separately from the branches.

The Village generates many tons of compostable material each year. If you need compost or wood chips, please contact the Municipal Building to arrange delivery of the material. Delivery is free to Village residents.

Shelter Reservations

Reservations for the Ripple Creek Park outside shelter and Edwards-Alexander Memorial Park enclosed and outside shelters can be made by calling the Municipal Building at 715-887-3512.

Current prices for using the Enclosed Shelter are:

- Resident fee without kitchen \$100.00
- Resident fee with kitchen \$125.00
- Non-resident fee without kitchen \$125.00
- Non-resident fee with kitchen \$150.00

A \$25.00 refund will be issued if the building is left clean.

Residents can reserve the outside shelters free of charge while non-residents are charged \$35.00.

Garbage and Recycling

Please remember to place your weekly garbage and bi-weekly recyclables out for curbside pickup by **6:00 AM** each day of pickup. Also remember that the day for pickup is Wednesday. Garbage & Recyclables must fit in the bin with the lid closed.

Please note that pizza boxes are not recyclable. If you experience less than satisfactory service or if you have any questions, please do not hesitate to give us a call at the Municipal Building, 715-887-3512.

Street Lights

The Village makes every effort to ensure that all the street lights in town are working but we need your help. Please let us know anytime you notice a street light that is not working or not working properly. If you have internet access, you can also report street light outages directly to Alliant Energy at alliantenergy.com. It's quick and easy, but if you prefer, don't hesitate to call the office 715-887-3512.

THANK YOU FOR FLAG DONATIONS

The flags flew brightly in the Village last year thanks to donations from our wonderful residents.

Our recent contributors are:

Pat Tyler

Jean Kluender (In Memory of Don & Brian Kluender)

Dave & Karen Thiel

Leo & Sue Thomasgard

Ron & Karla Leverance

The flag project is funded entirely from private donations and the flags require replacement every one to two years, so **we are in need of donations again this year** to keep our flags flying bright and proud.

Your donations are greatly appreciated!!

Port Edwards Water Utility Rates

The Public Service Commission requires that water rates be published semi-annually. The following rates have been in effect since September 5, 2018:

Quarterly Service Charge:

5/8" meter - \$ 15.22	3" meter - \$205.62
1" meter - \$ 38.10	4" meter - \$338.87
1 ½ meter - \$ 76.15	6" meter - \$643.50
2" meter - \$106.63	

Quarterly Service Charge for Sprinkling Meter:

5/8" meter - \$ 5.40
1" meter - \$ 10.50
1 ½" meter - \$ 21.00
2" meter - \$ 28.00

Plus Volume Charge:

First 25,000 cubic feet used each quarter - \$1.31 per 100 cubic feet
Next 375,000 cubic feet used each quarter - \$1.17 per 100 cubic feet
Over 400,000 cubic feet used each quarter - \$0.87 per 100 cubic feet

Billing: Bills for water service are rendered quarterly and become due upon issuance following the period for which service is rendered. A late payment charge of 3 percent but not less than 50 cents will be added to bills not paid within 20 days of issuance. This one-time 3 percent late payment charge will be applied to any unpaid balance for the current billing period's usage. This late payment charge is applicable to all customers. The utility customer may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued, and unless payment or satisfactory arrangement for payment is made within the next ten days, service may be disconnected pursuant to Chapter PSC 185, WI Admin. Code.

Community Calendar Items

- April 1** **Parking Restrictions**, no longer in effect and parking on the streets is allowed
- April 5** **Election Day, VOTE** at the Fire Station, 7:00 a.m. to 8:00 p.m.
