Subjects Discussed, Action Taken, and Board Action Required:

**Meeting called to order at 5:23 p.m.**

1. ***Status of Disc Golf Course:*** The lanes and tee boxes are done and the chips have been spread. The baskets have been ordered and will be delivered by the end of April. Still need to purchase materials for signs, setting the baskets and trash cans but the project will still come within or under the budget after expenses. June 1, 2017 is the tentatively open date.
2. ***Status of Splash Pad:*** The committee came up with 4-5 locations within Ripple Creek Park for the splash pad but would like to see designers come up with a couple designs to fit the location and then get an agreement from the public on the direction to take.
3. ***Correspondence received:*** MSA and the Legacy Foundation will be giving a splash pad presentation, February 28 at 7:00 p.m. at the Alexander shelter house and the public is welcome.

**Meeting adjourned at 6:00 p.m.**
