1. ***Call to order:*** Meeting called to order at 5:00 p.m.
2. ***Roll call:*** Zurfluh, Grunden & Mancl present. Duncan absent.
3. ***Public comments on agenda items:*** Russ Haske shared that Sheldon Ferkey has offered to pay for ATV signage if the Village approves opening the Village to ATVs. He also stated he is willing to post the signs.
4. ***Approve previous months minutes:*** **MOTION** (Mancl/Zurfluh) to approve minutes of the previous meeting. Motion passed. All ayes.
5. ***Chairperson comments:*** None.
6. ***Discuss potential 4-way stop on Ver Bunker Avenue and Port Road:*** Chief Radtke recommends doing a traffic feasibility study. This agenda item will be directed to the SIRC committee for further consideration.
7. ***Discuss potential for a safe cross of Highway 54 from Port Road to access the walking/bike path safely:*** Because HWY 54 is a state highway any changes would require state approval. Also, it would require having a marked bicycle/walking path along Port Road. This could be a significant financial burden. This agenda item will be tabled until we have a new administrator who may explore the feasibility of such a project.

FIRE DEPARTMENT

8. **Review monthly report:** Chief Arendt reviewed monthly report. Particular additional items discussed were the SPS 330 and an incident with the Fire Department UTV.

- ❖ Chief Radtke reported that the tasers have been purchased and received from Marshfield PD.
 - ❖ Chief Radtke has ordered a flashing speed limit sign that will be set up by the Fire Department. This purchase was made with grant funds.
 - ❖ The Law Enforcement Club would like to donate two dog waste removal stations to the Village. These will include the sign, bags and the trash bin. They will be located on the bike path. The Village appreciates this donation valued at \$500.00 and encourages the club to keep up the great community service.
