Working on language for golf carts & e-bikes. Currently, will be headed back to Public Safety, then back here (PLPIT), then board for approval. Committee would like to see the same rules for golf carts as ATV/UTV: mirrors, headlights, brake lights, & reflectors. Also, raise registration from \$5 to \$35. The money would go to community engagements for the police. Educational materials regarding golf carts & e-bikes will be

handed to persons that register so they can be informed of village ordinances. Will contact school for clarification on their end & pertaining to this upcoming ordinance. Due to warmer weather, Saylor wants to push this to the next board meeting for approval instead of waiting another month.
